ABOUT ME

As a passionate Graphic & Communication Designer with over 8 years of experience, I specialize in developing visually engaging brand communication and digital media creatives. My journey from an enthusiastic designer to leading visual campaigns has honed my ability to translate strategic ideas into impactful visuals. I enjoy collaborating across teams to create designs that are not only creative but also brand-aligned and goal-oriented. Skilled in Adobe Creative Suite, motion design, and PPT storytelling, I'm constantly exploring innovative approaches to elevate design quality and consistency.

EDUCATION

Master in Computer Application (MCA)
